* **time frames** are from payment and delivery of all the information required

** in order to perform the service **LEED Documentation**, a Full Credit Compliance (or PLUS) must have been previously executed. Or they must be hired in conjunction.

PAYMENTS

Payments are exclusively through PAYPAL or wire transfer to our corporate checking accounts in the U.S. or in Chile. All services require a 50% retainer. Remaining 50% will be due upon delivery of the result in the case of analysis services or upon credit approval by GBCI in the case of documentation services.

BUDGET VALIDITY

This Budget is valid for 30 days. Afterwards a new Budget must be requested.

WARRANTY

We guarantee:

- That the development of our work is done in a methodical and profesional way. Also the use of current knowledge and technologies, as well as compliance with labor regulations and guidelines.
- Confidential handling of all documents, blue prints and other type of information received.
- The development of an independent and impartial work.

If you have any complaints regarded our performance, please let us know in order to contact you and solve any issues you may have with it.
